Bulletin

Vol. X No. 1

Published by Alumnae Association
Mary Washington College of the University of Virginia
Fredericksburg, Virginia

November, 1954

Greetings:

By this time, it is our hope that you have started the Fall Program of your chapter and have already had at least one meeting. If your chapter is not 100% in paid members, it would be a goal to work toward.

From reports and news clippings (which, incidentally, don't forget to send to Julia Starkley, Historian, Richmond) the chapters are quite active with many projects started.

The October Board meeting was well attended, and the cooperative spirit was much appreciated. You may read elsewhere in the BULLETIN an account of it. One thing not in the article is the delight we all had in the gorgeous arrangement of roses grown by Polly Lamason.

Again, our checking account is quite low. Please send in your dues, money from cards, note paper, and life members. How about a contribution, even a small one? It would help a lot. Last year our expenses (all included) went over \$4000, and we still had a little left. As the Association is self-sustaining, that is a very good record. Please help keep up that. Also, note the request from the Alumnae Office concerning an ad for the Winter Bulletin. A project from each chapter for National was discussed again this year. The appointment of the Finance Committee will, it is hoped, help to review the financial structure of the Association, make recommendations, thereby, giving us more stable finances.

Gwen Amory has agreed to be Homecoming Chairman again this year. She needs suggestions and ideas. Please drop her a card with your ideas. Mark your calendar for the first weekend in April. Plan now to attend.

If you can get by Fredericksburg, stop by and see our office. We look forward to seeing ALL OF YOU there in April.

Best wishes,

ELOISE CAVERLEE HUGHES, '40

AMERICAN ALUMNI COUNCIL AWARD

The Mary Washington Alumnae Association has had the honor of an award at the American Alumni Council Convention in Mississippi for "significant achievement in use of direct mail to promote alumnae questionnaire response." The certificate, on display in the Alumnae Office, was given for the questionnaire mailed last Spring to all members. The winter BULLETIN will contain news from these questionnaires.

There are about twenty active members of the Alumnae Daughters' Club at the college. They meet in the Alumnae Office. The President is Elizabeth Fordham, daughter of Beatrice Brangan Fordham '28 of Portsmouth. The Vice President is Mary Jane Wood, daughter of Mary Kilmon Wood '32 of Onancock. OCTOBER BOARD MEETING

The annual fall board meeting of the Alumnae Association was held at the college on October 2 and 3, with the presidents and directors of the chapters represented. Each chapter had excellent plans and programs for the coming year. Plans were discussed for homecoming on April 1, 2 and 3. The Alumnae Cup was awarded by Miss Gwendolyn Amory, Vice President, to Miss Ann Lee Dunaway of Baltimore, Maryland, a member of the Alumnae Daughter's Club with the highest scholastic average for the past session. Her mother was the former Miss Annie Towles of the class of 1919. The cup was awarded before the student body at Convocation by Miss Belva Tune Dunn. The new committees named at the board meeting were: Finance Committee with Belva Dunn, Betty Jean Lyle, Carmen Weiler, and Ruth Jenkins. The Nominating Committee was elected from the floor with Doris Steele as Chairman of 8717 Plymouth Street, Silver Spring, Maryland, Adine Goodloe Suttler, and Eleanor Batschelet Smith.

ALMA MATER

Mary Washington College of the University of Virginia had its most successful Summer School of Music. The school, which draws a number of students from New York state—a third are out of Virginia—has also been cited in the New York Times recently as one of the rising new music schools in the country. There were 68 major subjects taught. The orchestra varied from 28 to 30 pieces and made its debut at Charlottesville.

The college also broke the records as having the largest Freshman class this fall, numbering 800. The total enrollment was 1,600 at the beginning of the 46th annual session. Dr. Combs greeted the freshman class with "Your simplest and most important reason for coming to the college is to achieve intellectual and emotional maturity and I want each of you to take full advantage of your stay." They were also greeted by Dean Alvey and the newly appointed Assistant Dean of Instruction, Dr. Reginald W. Whidden.

On October 24, the two new dormitories, known as the "Golden Horse Shoe", Ann Mason Hall and Mary Randolph Hall, were dedicated. They are located across from George Washington Hall. When you visit the campus, be sure to see these magnificent new buildings.

We welcome back to the campus Dr. and Mrs. James H. Dodd, who spent last year in Manila. They traveled over 23,000 miles during last year. We extend our sympathy to Dr. Keith in the loss of his wife on October 20.

The campus leaders this year are: Miss Marion Minor, President of Student Government; Miss Eileen Cella, President of Recreation Association; Miss Jane Johnson, President of the Senior Class; Miss Elizabeth Poteet, President of the Junior Class; Miss Kit Johnson, President of the Sophomore Class; Miss Carolyn Bidwell, President of Interclub Council; Miss Martha Lyle, President of Honor Council; Miss Nancy Phillips, Editor of "Bullet"; Miss Dorothy Booth, President of YWCA; Miss Pat Dent, President of the Art Club; Miss Joan Ferrall, Editor of the "Battlefield"; Miss Ann Grubbs, President of Cap and Gown, and Miss Barbara Sue Smith, President of Alpha Phi Sigma.

CHAPTER NEWS

Alexandria—They had a tea for the girls from that section coming to the college for the first time.

Delaware—They plan a tea at Thanksgiving for the Wilmington girls now attending the college. Barbara Buckham McNutt '47 and her husband visited the campus recently. They are promoting Mary Washington by placing the college catalogues in the high schools in the state.

Eastern Shore—Since their members are scattered so far along the shore, they meet only three times a year. They are planning a big meeting in October.

Fairfax—Our chapter is quite new. We just organized in the spring holding three meetings, one of these being a luncheon, at which time it was decided to give a tea for the upper classmen of the college, and the

high school graduates planning to attend Mary Washington. The tea was quite successful with an attendance of twenty-five. We have seventeen members. Our membership goal for the coming year is to increase our members to twenty-five. We voted to hold meetings once a month, one day meeting and one night meeting. We enjoyed the board meeting and gained a great deal of information and help from the presidents and directors of other chapters present, for which we are very grateful.

JESSIE WILTSHIRE LEE '29, Director.

(Jessie has a daughter here as a sophomore.)

Fredericksburg—Thirty-one alumnae attended our annual dinner meeting in September. We were delighted to have Mrs. J. H. Dodd speak to us on her impressions and experiences of her year's stay in Manila. Dues were payable and we have nineteen paid members to date. Our silver award at Commencement went to the daughter of Margaret Kirpatrick Thompson, "Kirk" '32, Betty Jane Thompson. Our goals for the year are to assist the local School for Retarded Children by donation, silver award again, bridge parties, to have programs on Art and travel in foreign countries, food demonstrations, Christmas music by Miss Eppes' Choral Club, flower arranging demonstration, and family picnic.

LOUISE OTLEY GRAVES '38.

Maryland-Suburban—A tea and reception was held on September 9 for freshmen and upperclass students of the fall term at Mary Washington. They had twelve freshmen, one junior, and a very enjoyable time.

New Jersey—Mary Rita O'Rourke '45 and Carol Fittin Abbott '48 attended the board meeting and were very instrumental in making it interesting and constructive.

New York—They had a tea for the freshmen, their mothers, and upperclassmen at the college. It was a huge success. We missed Aileen at the board meeting.

AILEEN LOUISE HIRSCHMANN '53.

Nina Bushnell Chapter of the Northern Neck—We missed these girls at the meeting, but we saw Lee Marsh Lewis this summer.

According to her everything is fine.

Norfolk—The Norfolk chapter began their year on September 25, with twenty-eight present, for lunch and a business session. Five of them were the 1954 graduates. Their programs are planned on a local, national and international level, with a better understanding of people as their aim. They will study Japan and Brazil. They are continuing the scholarship fund and aiding the tuberculosis hospital. They plan to sell candies at Christmas and Easter eggs in the spring besides card parties in the homes and cookie sales. They have alternate day and night meetings with a transportation committee. They enjoy coke parties, spaghetti dinners, buffet suppers, and dancing during the year.

MARGARET LAMBERT '34.

North Carolina—Our President, Eloise Hughes, is planning to help with this chapter in November. Good luck! Elizabeth Stallings Sharpe '46, Director, is happy to announce the adoption of Marcia Lynn Sharpe. Congratulations!

Peninsula—A picnic was held on August 30, for the freshmen and upperclassmen for this year, which numbered thirty-four. Margaret Ann Farmer '44, the secretary, has resigned and was married on October 9. She expects to live in California. Her successor will be Mrs. Annie Patterson Gardner '47. Please read their stunning meeting notice.

PENINSULA CHAPTER

October 1, 1954

Hi, Fine-Feathered Friend!

Like birds of a feather, alumnae will flock together, so come on, slick chick, and meet at feeding time at the OASIS on Kecoughtan Road the

second Saturday of every month, October through May, from 12 noon to 2 P.M. Lunch is \$1.50 and reservations must be phoned in not later than the Thursday before to Mrs. John Lane (H-5297) or Mrs. Louis Smith (WA-81779). You can make a standing reservation or call each month, whichever you prefer. This letter and the tri-city newspapers will be your only notification.

Get in the swim by attending the first meeting October 9 to hear our own Dr. Eileen Kramer Dodd give her *Birdseye View of the East Through Western Eyes*. Come and cluck at her. Other good programs are planned; for example, in November Miss Mary Robinson will show slides of a different kind of European tour. She'll tell you why it was unique. Come and gobble it up. In December Mr. Russell, of Diggs Florist, will demonstrate Christmas arrangements and decorations. He's super-duper!

Dive in your pocket and shell out a \$5 bill for dues. It's \$2 if you're a life member. Don't duck your responsibility this season. Your Alma Mater needs your support now. Show your interest by joining the Association. Don't let us down, please! Tuck your bill in the enclosed envelope and dispatch by carrier pigeon!

Let's pool our efforts and wing our way to the card party at the Coca-Cola Building on Wednesday, October 27. Don't be a goose and miss the fun. Be a dove and sell a few tables, too. Fifty cents a corner is cheep for what Liz Bomar (NN 61595) and her committee are planning. The prizes and food will be eggactly what you want—that's a promise!

And then preen your feathers and plan to join the brood on the hill the first Saturday in April at HOMECOMING.

See you at lunch on October ninth!

Two gay ole birds:

ANN SEGAR FOWLER,
Membership Chairman.

LUCILLE WHEELER,
Co-Chairman.

Puerto Rico—Alicia Rivera, Director, was on campus one day this fall. Her mother has been ill. Carmen Z. Catoni's address is changed to Box 117, Rio Piedras. She is expecting her second child and plans to build in the country. Carmen's husband has equipped an office for the chapter with a desk, typewriter, and files. Carmen's mother was in Chicago to a American Hospital Association Convention and appeared on Don McNeill's television program as special guest. Carmen's suitemate, Shirley Kay Ostrofsky has a baby boy, Martin Bruce. This chapter is very anxious to have some visitors from the college or alumnae. If any of you can visit them, please notify Carmen. This chapter is doing an excellent job of orientating students for Mary Washington.

Richmond—Their projects are free lunches for some students at Grace Arrent School, a benefit for scholarship fund, and reception at Virginia Education Association Convention for all visiting Mary Washington professors. Their activities are to have a meeting honoring the 1954 graduates, luncheon meeting with Dean of Women to speak, visit by Santa and program for Grace Arrent children with each alumna sponsoring a child, Christmas dance for all Mary Washington girls home for the holidays, fashion show, card party, visits to all local high schools to meet prospective Mary Washington girls with slides of the college and discussions of college life at Mary Washington and in general create a good showing for the school, and luncheon meetings in February, March, April, and May, with programs following the theme of promoting public understanding and good will toward Mary Washington College, which starts with the Alumnae, who can do much through personal contact.

JINNYE LEE DOWNER '49.

Washington, D. C.—Judy Clardy, President, had to miss the board meeting because of a new arrival the last of September. Congratulations!
